

Measurement vs. Continuous Data

| | | |
|----------------|--------------------------------------|----------------------|
| Pizza toppings | Gender | Height |
| Age | Time it takes to get to school | Grade-point average |
| Color of car | Unpopped kernels of popcorn in a bag | Family size |
| Dominant hand | Weight | Citizenship |
| Letter grades | Type of candy | NFL teams |
| Class size | Temperature | Calories in a burger |
